To our fans,

Recently, we announced that we will not be accepting orders on Geneon products after Friday, September 28, 2007. We have read your comments that you have e-mailed and posted on various web sites, and received your numerous calls.

At this time, we are internally discussing plans to explore all available options to continue distribution of Geneon titles, both old and new, at a later date. However, nothing is certain at this time. We will release more information to the public once we have any concrete plans, if any.

We would like to thank you for your support over the last 20+ years - first as Pioneer and then as Geneon. We have worked hard to bring you the best in Japanese animation and you have responded with an intense passion and support for our products.

As Geneon evolves, we hope that we can continue to be a part of your future.

Thank you,
